

NWDSS 1837 Bourbon Road Cross Plains, WI

Our top priority is the health and well-being of our staff, volunteers and our community.

In our attempt to keep the higher-risk population that we serve healthy and avoid exposure to the COVID-19 virus NWDSS will close for all **non-essential services** effective Monday, March 16 through Sunday, March 29.

Services still offered at this time are as follows:

* home delivered meals (Congregate meal participants can receive a meal delivered or for pick up)

*case management services – phone & email contact, some home visits/meetings will be determined on a case by case basis

* RSVP driver escort services – please be sure your medical appointment is still scheduled

*adult day program

We realize this public health crisis is affecting the older adults we serve. We are trying to ensure they have access to what they may need given the current circumstances.

NWDSS has some volunteers willing to shop and or check in as needed. Please reach out if needed and we will assist the best we can.

We will continue to follow this closely and use advice and guidance provided by the public health officials.

Be safe and stay healthy,

Paulette Glunn
Executive Director
